I have an opportunity to gain access to, and enjoy the facilities of, a Berry property. I agree that in consideration for the use and enjoyment of the property and facilities I assume all risks associated with such use. I release **Laura, Dennis, Marty, and Lawrence Berry and all Berry family members, Berry Contracting, LP, Bay Ltd, Berry GP, and all entities that they own or control.** I also release all of their agents, employees, trustees, officers and related or affiliated entities, from any and all claims, suits, allegations or complaints related to my use of the property. This includes the negligence and gross negligence of any person or entity, identified by name or class above. I have seen the Limitation of Liability Notice of Chapter 75A of the Civil Practice and Remedies Code and I am aware of its provisions.

I understand that activities on this Berry property are inherently dangerous. There are many ways to get hurt while engaged in such activities. Trips hazards abound. There are plants, animals and insects that bite and sting. The rivers, lakes, and ponds create hazardous conditions. Motor vehicle accidents are possible causes of injury. I assume the risk of any injury or harm to me that may result from any activities I may participate in or from the fact of my presence on the property and waive any right I might have to recover damages from any owner of the property, their agents and employees or any co-participants.
